## Technical Data Sheet

|                            |                                   |
|----------------------------|-----------------------------------|
| <b>Product Name</b>        | Potassium ferrocyanide trihydrate |
| <b>Product No</b>          | 30870208                          |
| <b>CAS Number</b>          | 14459-95-1                        |
| <b>Storage Temperature</b> | Ambient                           |
| <b>Molecular Weight</b>    | 422.39                            |
|                            | <b>Specification</b>              |
| <b>Water</b>               | <3%                               |
| <b>Chloride (Cl)</b>       | 0.5% Max                          |
| <b>Assay</b>               | >98%                              |
| <b>Insoluble water</b>     | 0.05% Max                         |
| <b>Appearance</b>          | Yellow Crystalline Powder         |
