# Specification

## Technical Data Sheet

|                            |                |
|----------------------------|----------------|
| <b>Product Name</b>        | Griess Reagent |
| <b>Product No</b>          | 90027439       |
| <b>CAS Number</b>          | 1465-25-4      |
| <b>Storage Temperature</b> | Ambient        |
| <b>Molecular Weight</b>    | -              |

|                   | <b>Specification</b>   |
|-------------------|--|
| <b>Assay</b>      | 0.1% Naphthylethylenediamine dihydrochloride, 1%<br>Sulphanilic acid in 5% Phosphoric acid |
| <b>Appearance</b> | Clear, colourless to light pink solution   |
