Specification

Technical Data Sheet

| | |
|----------------------------|---|
| Product Name | 1,4-Bis(5-phenyloxazol-2-yl)benzene (POPOP) |
| Product No | 90027498 |
| CAS Number | 1806-34-4 |
| Storage Temperature | Ambient |
| Molecular Weight | 364.40 |

Specification

| | |
|-------------------|---------------------------|
| Appearance | Yellow crystalline powder |
|-------------------|---------------------------|
