Specification

Technical Data Sheet

Product Name	DAPI (4,6-Diamidino-2-phenylindole dihydrochloride)
Product No	38519003
CAS Number	28718-90-3
Storage Temperature	Ambient
Molecular Weight	350.25

	Specification
Assay	98% min
Appearance	Yellow powder
For research use only, not for human use	research use only, not for human use
