Specification

Technical Data Sheet

Product Name	Chenodeoxycholic acid
Product No	31295558
CAS Number	474-25-9
Storage Temperature	Ambient
Molecular Weight	392.57
	Specification
Specific rotation	11 - 13
Loss on Drying	<2.0%
Residue on Ignition	<0.2%
Appearance	White to off white powder, easily dissolved in ethanol, chloroform glacial acetic acid, alcohol, almost insoluble in water
Assay HPLC	>98%
