Specification

Technical Data Sheet

Product Name	Haematoxylin (C.I. 75290)
Product No	29628570
CAS Number	517-28-2
Storage Temperature	Ambient
Molecular Weight	302.28
	Specification
Water	8.0 %maximum
Dye Content	60% minimum
Appearance	Fine,beige to tan to light brown powder Light Sensitive
Solubility in alcohol	To pass test
Suitability for Microscopy	To pass test
