Specification

Technical Data Sheet

| | |
|-----------------------------------|---|
| Product Name | Haematoxylin (C.I. 75290) |
| Product No | 29628570 |
| CAS Number | 517-28-2 |
| Storage Temperature | Ambient |
| Molecular Weight | 302.28 |
| | Specification |
| Water | 8.0 %maximum |
| Dye Content | 60% minimum |
| Appearance | Fine,beige to tan to light brown powder Light Sensitive |
| Solubility in alcohol | To pass test |
| Suitability for Microscopy | To pass test |
