Specification

Technical Data Sheet

| | |
|----------------------------|--|
| Product Name | Bathocuproinedisulfonic acid disodium salt |
| Product No | 14424729 |
| CAS Number | 52698-84-7 |
| Storage Temperature | Ambient |
| Molecular Weight | 564.54 |
| | Specification |
| Physical Appearance | White or beige powder |
| Storage Temperature | +20 °C |
| Molecular Weight | 564.54 |
| Assay | Min. 98.0% (NT, dried substance) |
| Notes | Suitable for determination of copper |
| Water Content (KF) | Max. 4.0% |
