Specification

Technical Data Sheet

| | |
|----------------------------|-------------------|
| Product Name | o-Cresolphthalein |
| Product No | 15685521 |
| CAS Number | 596-27-0 |
| Storage Temperature | Ambient |
| Molecular Weight | 346.38 g/mol |

| Specification | |
|-----------------------------------|------------------------------|
| PH colour-changing ranges | 8.2 (colorless) to 9.8 (red) |
| Solubility test in ethanol | Complies |
| Appearance | Cream to yellow powder |
