Specification

Technical Data Sheet

| | |
|-------------------------------------|---------------------------------------|
| Product Name | Methylene blue (C.I. 52015) |
| Product No | 15215462 |
| CAS Number | 61-73-4 |
| Storage Temperature | Ambient |
| Molecular Weight | 319.85 |
| | Specification |
| AS | 8mg/kg max |
| Loss on Drying | 8 - 15% |
| Specific absorption | 2300 min |
| Appearance | Dark Greenish to dark brownish powder |
| Wavelength of max absorption | 658 - 664nm |
| Total Colour/ Assay | 96 - 101% |
