

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830 Date of issue: 3/4/2009 Revision date: 3/8/2019 Version: 2.1

| <b>SECTION 1: Identification of the sub</b>                                      | stance/mixture and of the co           | mpany/undertaking  |
|--|--|--|
| 1.1. Product identifier  |  |  |
| Product form   | : Substance                            |  |
| Substance name   | : L-LYSINE HYDROCHLORIDE               |  |
| IUPAC name   | : (2S)-2,6-diaminohexanoic acid        | hydrochloride  |
| EC-No.   | : 211-519-9                            |  |
| CAS-No.  | : 657-27-2                             |  |
| Product code   | : 11195192                             |  |
| Formula  | : C6H14N2O2 · HCI                      |  |
| Product group  | : Raw material                         |  |
| 1.2. Relevant identified uses of the subs  | tance or mixture and uses advis        | ed against   |
| 1.2.1. Relevant identified uses  |  |  |
| Main use category  | : Laboratory use,Industrial use,P      | rofessional use  |
| ndustrial/Professional use spec  | : For professional use only            |  |
| 1.2.2. Uses advised against  |  |  |
| No additional information available  |  |  |
| 1.3. Details of the supplier of the safety                                       | data sheet                             |  |

| SECTION 2: Hazards identification  |  |  |
| 2.1. Classification of the substance or m  | ixture                                 |  |
| Classification according to Regulation (EC) N<br>Not classified                  | lo. 1272/2008 [CLP]                    |  |
|  |  |  |
| Adverse physicochemical, human health and<br>No additional information available | environmental effects                  |  |
| 2.2. Label elements  |  |  |
| z.z. Laber elements  |  |  |
| Not classified.  |  |  |
| 2.3. Other hazards   |  |  |
| This substance/mixture does not meet the PBT of                                  | •                                      |  |
| This substance/mixture does not meet the vPvB                                    | criteria of REACH regulation, annex XI |  |
|  |  |  |
| SECTION 3: Composition/informatic  | n on ingredients                       |  |
| 3.1. Substances  |  |  |
| Name   | Product identifier                     | %  |
| L-LYSINE HYDROCHLORIDE   | (CAS-No.) 657-27-2                     | 100  |
|  | (EC-No.) 211-519-9                     |  |
| 3.2. Mixtures  |  |  |
| Not applicable   |  |  |
|  |  |  |
| SECTION 4: First aid measures  |  |  |
| 4.1. Description of first aid measures   | . If populate about this sheet if a    | of available above peoplesting or label. Names the statistics by   |
| First-aid measures general   |  | ot available show packaging or label. Never give anything by<br>on. Do not leave affected person unattended. |
| First-aid measures after inhalation  | •                                      | victim to fresh air and keep at rest in a position comfortable   |
|  |  | artificial respiration if necessary. If breathing difficulties   |
|  | persist : Get medical advice/att       |  |
| First-aid measures after skin contact  |  | immediately all contaminated clothing, and wash  |
|  |  | er. Do not remove clothing if it sticks to the skin. If irritation   |
|  | persists, consult a doctor.            |  |

First-aid measures after eye contact

: Rinse immediately with plenty of water. Remove contact lenses, if present and easy to do.

Continue rinsing. If eye irritation persists: Get medical advice/attention.

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

| First-aid measures after ingestion      | : Rinse mouth out with water. Do not induce vomiting. Get medical advice/attention.  |
|---|--|
| 4.2. Most important symptoms and effect | s, both acute and delayed  |
| Symptoms/effects                        | : Not expected to present a significant hazard under anticipated conditions of normal use.   |
| Symptoms/effects after inhalation       | : Dust of the product, if present, may cause respiratory irritation after an excessive inhalation exposure.  |
| Symptoms/effects after skin contact     | : Dust may cause irritation in skin folds or by contact in combination with tight clothing.  |
| Symptoms/effects after eye contact      | : Dust from this product may cause eye irritation. redness, itching, tears.  |
| Symptoms/effects after ingestion        | : May cause irritation to the digestive tract. Abdominal pain, nausea.   |
|   | and a set of the second state of the |

4.3. Indication of any immediate medical attention and special treatment needed

Get immediate medical advice/attention.

| SECTION 5: Firefighting measures                 |  |
|--|--|
| 5.1. Extinguishing media                         |  |
| Suitable extinguishing media                     | : Foam. Dry powder. Carbon dioxide. Water spray. Sand.   |
| Unsuitable extinguishing media                   | : Do not use a heavy water stream.   |
| 5.2. Special hazards arising from the substa     | ince or mixture  |
| Hazardous decomposition products in case of fire | : Carbon oxides (CO, CO2). hydrogen chloride. Nitrogen oxides.   |
| 5.3. Advice for firefighters                     |  |
| Precautionary measures fire                      | : Keep container tightly closed and away from heat, sparks and flame. Keep away from combustible materials.  |
| Firefighting instructions                        | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any<br>chemical fire. Prevent fire fighting water from entering the environment. |
| Protection during firefighting                   | : Do not enter fire area without proper protective equipment, including respiratory protection.  |
| Other information                                | : Warn all persons of toxic hazard.  |

| <b>SECTION 6: Accidental release measu</b>          | res  |
|---|--|
| 6.1. Personal precautions, protective equip         | ment and emergency procedures  |
| General measures                                    | : Isolate from fire, if possible, without unnecessary risk. Avoid dust formation. No flames, no sparks. Eliminate all sources of ignition.   |
| 6.1.1. For non-emergency personnel                  |  |
| Protective equipment                                | : Wear recommended personal protective equipment.  |
| Emergency procedures                                | : Evacuate unnecessary personnel. Mark out the contaminated area with signs and prevent<br>access to unauthorized personnel. Do not touch or walk on the spilled product. Avoid<br>contact with skin, eyes and clothing. |
| Measures in case of dust release                    | : Keep upwind. Ventilate the area thoroughly, especially low lying areas (basements, workpits etc).  |
| 6.1.2. For emergency responders                     |  |
| Protective equipment                                | : Equip cleanup crew with proper protection. Use self-contained breathing apparatus and<br>chemically protective clothing.   |
| Emergency procedures                                | : Ventilate area.  |
| 6.2. Environmental precautions                      |  |
| Prevent entry to sewers and public waters. Notify a | uthorities if product enters sewers or public waters.  |
| 6.3. Methods and material for containment           | and cleaning up  |
| Methods for cleaning up                             | : On land, sweep or shovel into suitable containers. Minimise generation of dust. Store away from other materials.   |
|   |  |

6.4. Reference to other sections

See Heading 8. Exposure controls and personal protection.

| SECTION 7: Handling and storage               |  |
|---|--|
| 7.1. Precautions for safe handling            |  |
| Precautions for safe handling                 | : Avoid creating or spreading dust. Provide local exhaust or general room ventilation.   |
| Hygiene measures                              | : Take off immediately all contaminated clothing and wash it before reuse. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Do not eat, drink or smoke when using this product. |
| 7.2. Conditions for safe storage, including a | ny incompatibilities   |
| Technical measures                            | : Ensure adequate ventilation, especially in confined areas.   |
| Storage conditions                            | : Keep only in the original container in a cool, well ventilated place away from : Heat<br>sources, Direct sunlight. Keep container closed when not in use.  |
| Incompatible products                         | : Strong oxidisers.  |
| Incompatible materials                        | : Sources of ignition. Direct sunlight. Heat sources.  |
| Heat and ignition sources                     | : Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.   |

| Avoid all unnecessary Hand protection:   | • •                        | with the specifications o | f the regulation 2016/425 | and the resultant stan | dard EN 374 |
| Personal protective of<br>Avoid all unnecessary<br>Hand protection:<br>The protective gloves<br>Type | exposure.                  | with the specifications o | f the regulation 2016/425 | and the resultant stan | dard EN 374 |

: Store at ambient temperature. Store in a dry place. Store in a closed container.

### Eye protection:

Emergency eye wash fountains should be available in the immediate vicinity of any potential exposure

| Туре           | Use  | Characteristics   | Standard |
|----------------|------|-------------------|----------|
| Safety glasses | Dust | With side shields | EN 166   |

## Skin and body protection:

Emergency safety showers should be available in the immediate vicinity of any potential exposure. Keep suitable chemically resistant protective clothing readily available for emergency use

| Туре                             | Standard     |
|----------------------------------|--------------|
| Long sleeved protective clothing | EN ISO 13982 |

### **Respiratory protection:**

Keep self contained breathing apparatus readily available for emergency use. Where exposure through inhalation may occur from use, respiratory protection equipment is recommended

| Device    | Filter type | Condition       | Standard |
|-----------|-------------|-----------------|----------|
| Dust mask | Type P1     | Dust protection | EN 14387 |

### Other information:

Do not eat, drink or smoke during use.

| <b>SECTION 9: Physical and chemical p</b>    | broperties                   |
|--|------------------------------|
| 9.1. Information on basic physical and c     | hemical properties           |
| Physical state                               | : Solid                      |

|   | pH: 5 - 6 at 91.3 g/l at 25 °C                                      |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Serious eye damage/irritation                       | : Not classified  |
|   | pH: 5 - 6 at 91.3 g/l at 25 °C                                      |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Respiratory or skin sensitisation                   | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Germ cell mutagenicity                              | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Carcinogenicity                                     | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Reproductive toxicity                               | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| STOT-single exposure                                | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| STOT-repeated exposure                              | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Aspiration hazard                                   | : Not classified  |
| Additional information                              | : Based on available data, the classification criteria are not met  |
| Potential adverse human health effects and symptoms | : Based on available data, the classification criteria are not met. |

Safety Data Sheet according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

| SECTION 12: Ecological information   |  |  |
|--|--|--|
| 12.1. Toxicity   |  |  |
|  | Not classified   |  |
| Chronic aquatic toxicity :   | Not classified   |  |
| L-LYSINE HYDROCHLORIDE (657-27-2)  |  |  |
| LC50 fish 1  | 103 mg/l Oryzias latipes 96hr                            |  |
| EC50 Daphnia 1   | 106 mg/l Daphnia magna (Water flea) 48hr                 |  |
| EC50 72h algae (1)   | > 100 mg/l Pseudokirchneriella subcapitata (green algae) |  |
| 12.2. Persistence and degradability  |  |  |
| L-LYSINE HYDROCHLORIDE (657-27-2)  |  |  |
| Persistence and degradability  | Very soluble.  |  |
| 12.3. Bioaccumulative potential  |  |  |
| L-LYSINE HYDROCHLORIDE (657-27-2)  |  |  |
| Bioaccumulative potential  | Bioaccumulation unlikely.                                |  |
| 12.4. Mobility in soil   |  |  |
| No additional information available  |  |  |
| 12.5. Results of PBT and vPvB assessment   |  |  |
| L-LYSINE HYDROCHLORIDE (657-27-2)  |  |  |
| This substance/mixture does not meet the PBT criteria of REACH regulation, annex XIII  |  |  |
| This substance/mixture does not meet the vPvB criteria of REACH regulation, annex XIII |  |  |
| 12.6. Other adverse effects  |  |  |
| Additional information :   | Avoid release to the environment.                        |  |

| SECTION 13: Disposal considerations        |   |
|--|---|
| 13.1. Waste treatment methods              |   |
| Product/Packaging disposal recommendations | : Dispose in a safe manner in accordance with local/national regulations. |
| Ecology - waste materials                  | : Avoid release to the environment.                                       |

| SECTION 14: Transport information                |               |               |               |               |
|--|---------------|---------------|---------------|---------------|
| In accordance with ADR / RID / IMDG / IATA / ADN |               |               |               |               |
| ADR  | IMDG          | ΙΑΤΑ          | ADN           | RID           |
| 14.1. UN number                                  |               |               |               |               |
| Not regulated                                    | Not regulated | Not regulated | Not regulated | Not regulated |
| 14.2. UN proper shipping name                    |               |               |               |               |
| Not regulated                                    | Not regulated | Not regulated | Not regulated | Not regulated |
| 14.3. Transport hazard class(es)                 |               |               |               |               |
| Not regulated                                    | Not regulated | Not regulated | Not regulated | Not regulated |
| 14.4. Packing group                              |               |               |               |               |
| Not regulated                                    | Not regulated | Not regulated | Not regulated | Not regulated |
| 14.5. Environmental hazards                      |               |               |               |               |
| Not regulated                                    | Not regulated | Not regulated | Not regulated | Not regulated |
| No supplementary information available           |               |               |               |               |
| 14.6. Special precautions for user               |               |               |               |               |

**Overland transport** 

Not regulated

Transport by sea

Not regulated

Air transport

Not regulated

Inland waterway transport

Not regulated

Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2015/830

# Rail transport

# Not regulated

14.7. Transport in bulk according to Annex II of Marpol and the IBC Code Not applicable

## **SECTION 15: Regulatory information**

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

### 15.1.1. EU-Regulations

No REACH Annex XVII restrictions

L-LYSINE HYDROCHLORIDE is not on the REACH Candidate List L-LYSINE HYDROCHLORIDE is not on the REACH Annex XIV List Directive 2012/18/EU (SEVESO III)

### 15.1.2. National regulations

### Germany

| Germany  |   |
|--|---|
| Reference to AwSV  | : Water hazard class (WGK) 1, Slightly hazardous to water (Classification according to AwSV; ID No. 6704) |
| 12th Ordinance Implementing the Federal<br>Immission Control Act - 12.BImSchV        | : Is not subject of the 12. BImSchV (Hazardous Incident Ordinance)  |
| Netherlands  |   |
| SZW-lijst van kankerverwekkende stoffen  | : The substance is not listed   |
| SZW-lijst van mutagene stoffen   | : The substance is not listed   |
| NIET-limitatieve lijst van voor de voortplanting<br>giftige stoffen – Borstvoeding   | : The substance is not listed   |
| NIET-limitatieve lijst van voor de voortplanting<br>giftige stoffen – Vruchtbaarheid | : The substance is not listed   |
| NIET-limitatieve lijst van voor de voortplanting<br>giftige stoffen – Ontwikkeling   | : The substance is not listed   |
| 15.2. Chemical safety assessment   |   |
| No chemical safety assessment has been carried of                                    | out for the substance or the mixture by the supplier  |

| SECTION 16: Other information |   |  |
|-------------------------------|---|--|
| Data sources                  | : REGULATION (EC) No 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16<br>December 2008 on classification, labelling and packaging of substances and mixtures, amending and<br>repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006. |  |
| Other information             | : None.   |  |

SDS EU (REACH Annex II)

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.
