Specification

Technical Data Sheet

Product Name	Agarose, for DNA and RNA fragment separation
Product No	10944534
CAS Number	9012-36-6
Storage Temperature	Ambient
Molecular Weight	N/A
	Specification
Melting Point	86 - 93 Deg C
Loss on Drying	<10%
Sulfate	<0.2%
Clarity	Clear
Appearance	White powder
Gel Strenght 1%	>1000g/cm2
For research use only, not for human use	research use only, not for human use
