

Specification

Technical Data Sheet

Product Name	2',4'-Dihydroxyacetophenone
---------------------	-----------------------------

Product No	10035517
-------------------	----------

CAS Number	89-84-9
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	152.15
-------------------------	--------

Specification

Appearance	Red brown powder
-------------------	------------------

Identification	Conforms to reference
-----------------------	-----------------------
