

Specification

Technical Data Sheet

Product Name	2-Bromopropane
---------------------	----------------

Product No	10055930
-------------------	----------

CAS Number	75-26-3
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	122.99
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

pH	6 -8
-----------	------

Assay GC	>99%
-----------------	------

Water KF	<500ppm
-----------------	---------
