

Specification

Technical Data Sheet

Product Name	Fast Red Violet LB salt
---------------------	-------------------------

Product No	10141486
-------------------	----------

CAS Number	32348-81-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	376.31
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Purity (HPLC)	≥97.0%
----------------------	--------

Structure	Confirmed by NMR
------------------	------------------
