

Specification

Technical Data Sheet

Product Name	4-Hydroxybenzaldehyde
---------------------	-----------------------

Product No	10174308
-------------------	----------

CAS Number	123-08-0
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	122.12
-------------------------	--------

Specification

Appearance	Light yellow powder
-------------------	---------------------

Heavy metals	≤ 8ppm
---------------------	--------

Melting Point	115 - 118°C
----------------------	-------------

Water	≤ 0.5%
--------------	--------

Assay	≥ 99.0%
--------------	---------

Cl	≤ 50ppm
-----------	---------
