

Specification

Technical Data Sheet

| | |
|---------------------|-----------------------|
| Product Name | Triethyl orthoformate |
|---------------------|-----------------------|

| | |
|-------------------|----------|
| Product No | 10280464 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 122-51-0 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 148.20 |
|-------------------------|--------|

Specification

| | |
|-------------------|-----------------------------------|
| Appearance | Colourless to light yellow liquid |
|-------------------|-----------------------------------|

| | |
|--------------|--------|
| Assay | ≥98.0% |
|--------------|--------|
