

# Specification

## Technical Data Sheet

<b>Product Name</b>	Sodium hydroxide - 1M aqueous solution
---------------------	--

<b>Product No</b>	10347499
-------------------	----------

<b>CAS Number</b>	1310-73-2
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	40.00
-------------------------	-------

### Specification

<b>Appearance</b>	Clear Colourless liquid
-------------------	-------------------------

<b>Normality</b>	0.99-1.01N
------------------	------------
