

Specification

Technical Data Sheet

Product Name	Nonadecane
---------------------	------------

Product No	10399549
-------------------	----------

CAS Number	629-92-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	268.52
-------------------------	--------

Specification

Appearance	White cream solid
-------------------	-------------------

Density	0.76 - 0.80
----------------	-------------

Melting Point	42 - 45°C
----------------------	-----------

Assay	≥97%
--------------	------
