

Specification

Technical Data Sheet

Product Name	1-Chloro-2,4-dinitrobenzene
---------------------	-----------------------------

Product No	10509994
-------------------	----------

CAS Number	97-00-7
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	202.55
-------------------------	--------

Specification

Appearance	Light yellow crystalline solid
-------------------	--------------------------------

Water	$\leq 0.5\%$
--------------	--------------

Assay	$\geq 99.0\%$
--------------	---------------

Freezing Point	48.0 - 52.0°C
-----------------------	---------------

Low boiler	$\leq 0.20\%$
-------------------	---------------

High boilers	$\leq 0.05\%$
---------------------	---------------
