

Specification

Technical Data Sheet

| | |
|-----------------------------------|-----------------------------|
| Product Name | Azocarmine G |
| Product No | 10574823 |
| CAS Number | 25641-18-3 |
| Storage Temperature | Ambient |
| Molecular Weight | 579.58 |
| | Specification |
| Appearance | Brown, red or purple powder |
| Absorption maxima in water | 510 - 523 nm |
| Solubility in water | Soluble in water |
