

Specification

Technical Data Sheet

Product Name	Acamprosate calcium salt
---------------------	--------------------------

Product No	10643026
-------------------	----------

CAS Number	77337-73-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	400.48
-------------------------	--------

Specification

Appearance	White to off-white solid
-------------------	--------------------------
