

# Specification

## Technical Data Sheet

<b>Product Name</b>	4-(Chloromethyl)benzoic acid
---------------------	------------------------------

<b>Product No</b>	10668940
-------------------	----------

<b>CAS Number</b>	1642-81-5
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	170.60
-------------------------	--------

### Specification

<b>Appearance</b>	White or almost white solid
-------------------	-----------------------------

<b>Water</b>	$\leq 0.5\%$
--------------	--------------

<b>Purity</b>	$\geq 99.0\%$
---------------	---------------
