

Specification

Technical Data Sheet

Product Name	3,4-Methylenedioxyphenol (Sesamol)
---------------------	------------------------------------

Product No	10825829
-------------------	----------

CAS Number	533-31-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	138.12
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
