

Specification

Technical Data Sheet

Product Name	2-Methylresorcinol (2,6-Dihydroxytoluene)
---------------------	---

Product No	10864971
-------------------	----------

CAS Number	608-25-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	124.14
-------------------------	--------

Specification

Appearance	White to dark yellow solid
-------------------	----------------------------
