

Specification

Technical Data Sheet

Product Name	5-Bromovaleric acid
---------------------	---------------------

Product No	10869725
-------------------	----------

CAS Number	2067-33-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	181.03
-------------------------	--------

Specification

Appearance	Beige/ light brown powder
-------------------	---------------------------

Melting Point	38 - 42°C
----------------------	-----------

Water	≤ 0.5%
--------------	--------

Assay	≥ 97.0%
--------------	---------
