

Specification

Technical Data Sheet

Product Name	1,4-Dibromobenzene
---------------------	--------------------

Product No	10872709
-------------------	----------

CAS Number	106-37-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	235.90
-------------------------	--------

Specification

Appearance	White crystal
-------------------	---------------

Moisture (KF)	<500ppm
------------------------	---------

Purity GC	>99%
------------------	------
