

Specification

Technical Data Sheet

Product Name	15-Crown-5
---------------------	------------

Product No	10920590
-------------------	----------

CAS Number	33100-27-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	220.26
-------------------------	--------

Specification

Appearance	Colourless to light yellow transparent liquid
-------------------	---

Purity (GC)	≥98%
--------------------	------

Water Content (KF)	≤0.5%
---------------------------	-------
