

Specification

Technical Data Sheet

Product Name	Hydrochlorothiazide
---------------------	---------------------

Product No	10985573
-------------------	----------

CAS Number	58-93-5
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	297.74
-------------------------	--------

Specification

Appearance	White powder solid
-------------------	--------------------

Assay	98%
--------------	-----
