

Specification

Technical Data Sheet

Product Name	2,4-Dimethylimidazole
---------------------	-----------------------

Product No	11009615
-------------------	----------

CAS Number	930-62-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	96.13
-------------------------	-------

Specification

Appearance	Light yellow crystal
-------------------	----------------------

Water	$\leq 0.2\%$
--------------	--------------

Purity GC	$\geq 95\%$
------------------	-------------
