

Specification

Technical Data Sheet

Product Name	Indazole-4-carboxylic acid
---------------------	----------------------------

Product No	11011697
-------------------	----------

CAS Number	677306-38-6
-------------------	-------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	162.15
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------

Identification	Conforms to reference
-----------------------	-----------------------
