

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,5-Diphenyloxazole (PPO)
---------------------	---------------------------

<b>Product No</b>	11037283
-------------------	----------

<b>CAS Number</b>	92-71-7
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	221.25
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Melting Point</b>	70-76°C,
----------------------	----------

<b>Water</b>	≤0.5%.
--------------	--------

<b>Assay</b>	≥99.0% (HPLC)
--------------	---------------
