

# Specification

## Technical Data Sheet

<b>Product Name</b>	Tetramethylammonium chloride (TMACL)
---------------------	--------------------------------------

<b>Product No</b>	11127600
-------------------	----------

<b>CAS Number</b>	75-57-0
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	109.60
-------------------------	--------

### Specification

<b>Appearance</b>	White to almost white powder
-------------------	------------------------------

<b>Water</b>	<0.5%
--------------	-------

<b>Assay</b>	>99%
--------------	------

<b>Free amine value</b>	<3mgKOH/g
-------------------------	-----------
