

Specification

Technical Data Sheet

Product Name	N,N'-Dibutylthiourea (1,3-Dibutyl-2-thiourea)
---------------------	---

Product No	11181322
-------------------	----------

CAS Number	109-46-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	188.33
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Loss on Drying	≤ 0.5%
-----------------------	--------

Melting Point	60 - 70°C
----------------------	-----------

Identification (IR)	Conforms to Reference
----------------------------	-----------------------
