

Specification

Technical Data Sheet

Product Name	Calcium iodide tetrahydrate
---------------------	-----------------------------

Product No	11348597
-------------------	----------

CAS Number	13640-62-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	365.95
-------------------------	--------

Specification

Appearance	White or Off white to tan crystals
-------------------	------------------------------------

Water	18.0 - 22.0%
--------------	--------------

Assay	≥ 98.0%
--------------	---------

Assay (as Iodine)	≥ 68.5%
--------------------------	---------

Chloride	≤ 0.5%
-----------------	--------

Sulfate	≤ 0.1%
----------------	--------
