

# Specification

## Technical Data Sheet

<b>Product Name</b>	Methyl m-toluate
---------------------	------------------

<b>Product No</b>	11372927
-------------------	----------

<b>CAS Number</b>	99-36-5
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	150.1745
-------------------------	----------

### Specification

<b>Appearance</b>	Clear, colourless liquid
-------------------	--------------------------
