

Specification

Technical Data Sheet

Product Name	3-Carbethoxy-2-piperidone
---------------------	---------------------------

Product No	11434878
-------------------	----------

CAS Number	3731-16-6
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	171.19
-------------------------	--------

Specification

Appearance	Crystalline
-------------------	-------------
