

Specification

Technical Data Sheet

Product Name	1,10-Phenanthroline chloride monohydrate
---------------------	--

Product No	11482946
-------------------	----------

CAS Number	18851-33-7
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	234.68
-------------------------	--------

Specification

Appearance	White to Off-white powder
-------------------	---------------------------

Identification	Conforms to reference
-----------------------	-----------------------

Identification, 1H-NMR, IR	Conforms to Reference
-----------------------------------	-----------------------

Purity (NMR)	≥ 98.0%
---------------------	---------
