

Specification

Technical Data Sheet

Product Name	1,3-Dihydroxynaphthalene
---------------------	--------------------------

Product No	11570182
-------------------	----------

CAS Number	132-86-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	160.17
-------------------------	--------

Specification

Appearance	Pale brown powder
-------------------	-------------------

Identification	Conforms to reference
-----------------------	-----------------------

Melting Point	120 - 126°C
----------------------	-------------

Assay GC	≥ 98%
-----------------	-------
