

Specification

Technical Data Sheet

Product Name	9,10-Dibromoanthracene
---------------------	------------------------

Product No	11646659
-------------------	----------

CAS Number	523-27-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	336.02
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
