

Specification

Technical Data Sheet

Product Name	tri-Ammonium phosphate trihydrate
---------------------	-----------------------------------

Product No	11810524
-------------------	----------

CAS Number	25447-33-0
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	203.13
-------------------------	--------

Specification

Appearance	White to off-white powder
-------------------	---------------------------

Assay (Titration)	≤98%
--------------------------	------
