

# Specification

## Technical Data Sheet

<b>Product Name</b>	4-Aminopyridine
---------------------	-----------------

<b>Product No</b>	11822791
-------------------	----------

<b>CAS Number</b>	504-24-5
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	94.11
-------------------------	-------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Melting Point</b>	158 - 162°C
----------------------	-------------

<b>Moisture</b>	≤0.5%
-----------------	-------

<b>Sulfated ash</b>	≤0.5%
---------------------	-------

<b>Assay HPLC</b>	≥99.0%
-------------------	--------
