

Specification

Technical Data Sheet

Product Name	Ethyl acetate SG
---------------------	------------------

Product No	11892884
-------------------	----------

CAS Number	141-78-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	88.11
-------------------------	-------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.3704 - 1.3744
-------------------------	-----------------

Assay	98.5% min
--------------	-----------
