

Specification

Technical Data Sheet

Product Name	Triethylsilane
---------------------	----------------

Product No	11916965
-------------------	----------

CAS Number	617-86-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	116.28
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Purity	≥98%
---------------	------
