

Specification

Technical Data Sheet

Product Name	3-Methoxybenzaldehyde
---------------------	-----------------------

Product No	12165767
-------------------	----------

CAS Number	591-31-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	136.15
-------------------------	--------

Specification

Appearance	Colourless to yellow liquid
-------------------	-----------------------------

Identification	Conforms to reference
-----------------------	-----------------------
