

# Specification

## Technical Data Sheet

<b>Product Name</b>	Papaverine hydrochloride
---------------------	--------------------------

<b>Product No</b>	12191237
-------------------	----------

<b>CAS Number</b>	61-25-6
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	375.85
-------------------------	--------

### Specification

<b>Appearance</b>	white or beige or pale yellow powder
-------------------	--------------------------------------

<b>Purity</b>	98% min
---------------	---------
