

Specification

Technical Data Sheet

Product Name	1,1,2,2-Tetrabromoethane
---------------------	--------------------------

Product No	12339588
-------------------	----------

CAS Number	79-27-6
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	345.64
-------------------------	--------

Specification

Appearance	colorless or yellow transparent liquid
-------------------	--

Molecular Weight	342
-------------------------	-----

Storage Temperature	+20 °C
----------------------------	--------

Density	2.955-2.970
----------------	-------------

pH	5.0-7.0
-----------	---------

Freezing Point	-2-0°C
-----------------------	--------

Assay (GC)	>96%
--------------------	------
