

Specification

Technical Data Sheet

Product Name	Calcium stearate
---------------------	------------------

Product No	12453198
-------------------	----------

CAS Number	1592-23-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	607.02
-------------------------	--------

Specification

Appearance	White powder, slight odor
-------------------	---------------------------

Loss on Drying	$\leq 3.0\%$
-----------------------	--------------

Particle size) Through 325mesh	$\geq 99.0\%$
---------------------------------------	---------------

Free fatty acid	$\leq 1.0\%$
------------------------	--------------
