

Specification

Technical Data Sheet

Product Name	Indigo synthetic (VAT Blue 1)
---------------------	-------------------------------

Product No	12501078
-------------------	----------

CAS Number	482-89-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	262.26
-------------------------	--------

Specification

Appearance	Dark blue granules
-------------------	--------------------

Fe	<500ppm
-----------	---------

Water	8% max
--------------	--------

Purity	93% min
---------------	---------
