

# Specification

## Technical Data Sheet

<b>Product Name</b>	Polyoxyethylene 9 lauryl ether
---------------------	--------------------------------

<b>Product No</b>	12556150
-------------------	----------

<b>CAS Number</b>	3055-99-0
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	582.81
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless liquid to White wax solid
-------------------	--------------------------------------

<b>Water</b>	≤0.5%
--------------	-------

<b>Colour</b>	50 max
---------------	--------

<b>Hydroxyl Number</b>	93 - 100 mgKOH/g
------------------------	------------------

<b>Cloud point 1 % aqueous solution</b>	78 - 83°C
---	-----------
